Letter from Development

Dear Benefactors, Companions, Loretto Alumni, Friends and Community,

I hope this message finds you well and reminds you of the impact and enduring spirit of the Loretto community we cherish together. It is a privilege to write to you for our first Annual Report as the Congregation of Jesus (CJ). This past year has been one of historic significance and heartfelt generosity, and we are grateful for your continued connection and support as we share with you our 2024-2025 Annual Report and CJ Honor Roll of Donors.

Our founder, Mary Ward, wisely encouraged us to "work in great tranquility, joy, and generous spirit." These words have guided our path throughout the year. Across our community of Loretto sisters and dedicated staff, these virtues were evident in daily ministry, special gatherings, such as the Mary Ward Symposium, and acts of service. Throughout the year, events for friends, alumni, benefactors, and sisters created meaningful opportunities for conversation, education, reflection, and a renewed sense of oneness in mission and purpose.

After receiving our Decree of Merger from Rome, we began the process this January to change our name to the Congregation of Jesus across all needed documents and accounts. With regard to giving, your gifts remain in the US Region. Our Federal Tax ID number remains 36-2179797. Checks can be made out to the Congregation of Jesus and mailed to our current location which also remains the same:

Loretto Office of Development
PO Box 508
Wheaton, IL 60187

In other exciting news, this week, our website along with email accounts will change over to LorettoCJ.us. For example, development@ibvm.us will change to development@lorettocj.us (capitalization will not matter). If you still email or search our website via the previous address, do not worry, we will still get your email, and the website will automatically take you to our new URL. We will email any other important changes if and when they occur.

This last fiscal year, legacy giving once again made a significant impact. Through bequests and other planned contributions, treasured Loretto friends contributed more than $550,000+ in support of the Congregation of Jesus. These generous commitments provide essential financial stability for our sisters, expand the ministries we are able to sustain, and strengthen our capacity for meaningful social outreach.

While our sisters remain forever young in spirit, the realities of aging bring increasing living and healthcare costs. Responsible stewardship requires thoughtful, future-focused planning to ensure that their needs are met with dignity and compassion. We are deeply grateful to donors like you whose foresight and generosity help secure that promise of care. We also continue to rely on our annual Mary Ward Day of Giving to provide vital "emergency funds" and direct support for the care of our retired Sisters. Gifts ranging from $23 to $1,230 and beyond collectively generate roughly $20,000 each year in immediate assistance.

Your thoughtful feedback on our Loretto Card Collection inspired the creation of a new "Prayerful Support" card last year, designed especially for those navigating terminal illness and ongoing life challenges. This addition was received with deep appreciation, offering comfort, faith, and connection during some of life's most tender moments. In collaboration with Sr. Arlene Ashack, we are pleased to share that a fully refreshed collection of cards will be released in the coming months.

It is a true privilege to serve in this role, and I remain deeply grateful for the trust, partnership, and shared mission that unite us in carrying our charism forward.

In unity and mission, spirit and joy,

Megan Beutel
Director of Development

roots of MINISTRY

Bringing the Passion Play to life each year is an act of faith in motion — it calls us to creative leadership, deep community, and mission. As we gather to tell Christ's story, we are still praying, still daring, and still walking by faith together."
