

CJ U. S. REGION JPIC CIRCLE SPECIAL PROJECT GRANT REQUEST

U.S. Region JPIC Circle Focus Statement

As CJs who are contemplatives in action, we commit ourselves to be in “communion” with each other and all God’s creation as instruments of justice, peace and reconciliation: specifically, regarding immigration, human trafficking and the United Nations’ Sustainable Development Goals. The rights of women and children are central to our specific concerns.

The JPIC Circle is offering an opportunity to request a grant for a Special Project which carries out our Focus Statement (above). We envision the grant(s) will enable the recipient(s) to engage in concrete action in a situation of need regarding immigration, human trafficking or carrying out the United Nations’ Sustainable Development Goals.

The Circle has budgeted a total of \$5,000.00 this year to fund grant opportunities. We invite CJ Sisters, Companions or persons referred to the Circle by a Sister or Companion to apply for a one-time, nonrenewable grant. We invite applications on a quarterly basis.

Application deadlines are listed at end of this form. If additional space is needed, please continue your response on a separate page.
